LAKE MICHIGAN *Autumn Breeze*

Day 1

This morning, we depart for the Western side of our beautiful state with a cup of hot coffee and a snack served by a professional Bianco Tour Director. Arriving in Mears, MI this afternoon, we depart on a fun filled **7-mile dune ride** lasting about 40 minutes. Glide up and down the dunes for a breathtaking vast panorama including Sparkling Silver Lake and Lake Michigan. This afternoon, we stop at the **Shelby Gem Factory**. Founded in 1970, this family-owned business prides itself on manufacturing artificial gemstones. In fact, it produces more human-created gems than any factory in the world. We will view a film on how they make their gems and have some free time to view and try our hand at some of the machines on display in the show room as well as shop their inventory. Following our visit, we check into the Holiday Inn Express in Ludington, MI; our home for the night. Dinner is included this evening at **PM Steamers** featuring a one-of-a-kind view of Ludington's sparkling waterfront and the home of the historic SS Badger. This evening, we visit the North Breakwater Lighthouse and beach as we enjoy a happy hour while watching the sunset over Lake Michigan.

Day 2

Following an included breakfast and a leisurely morning, we depart for **Douglas Valley Winery**. We'll enjoy a tasting of four wines and a cider with a souvenir wine glass as we admire the 640-acre historic fruit farm turned vineyard. We arrive in Manistee this afternoon for shopping time and lunch on our own before returning to Ludington to visit the **Port of Ludington Maritime Museum**. The museum opened in 2017 and is located in the former US Coast Guard Station, now listed on the National Register of Historic Places. It highlights the maritime history of the area and overlooks Lake Michigan's wild shoreline, Ludington's iconic North Pier Light and the historic car ferry USS Badger. We depart for home on a summer breeze as we say farewell to West Michigan's coastline.
